Allowable Subject Matter

1. Claims 45-74 are allowed. Claims 45-50 were indicated allowable in the Office Action mailed 09/17/2008, along with reasons for their allowability over the best prior art of record. New Claims 51-74 are all dependent on the allowed claims 45-50 and are therefore allowable for the same reasons. New claims 51-74 have been reviewed by Examiner and are supported by the specification. All outstanding claims that were under rejection as of the Office Action of 09/17/2008 are cancelled in Applicant's current reply.
2. The following is a restatement of the reasons for allowance of claims 45-50 which was previously presented in Page 9 of the Office Action mailed 09/17/2008. New claims 51-74 are all dependent on the allowed claims 45-50 and are thus allowable for the same reasons.
3. The prior art neither anticipates nor renders obvious the following limitations of claims 45-47 and 49: "adding a progressive jackpot contribution equal to the second interim pattern award amount minus the first interim pattern award amount to the progressive jackpot pool if the player does not input the prize claiming input within the second sleep time period and the second interim pattern award amount is greater than the first interim pattern award amount."
4. The prior art neither anticipates nor renders obvious the following limitations of claims 48 and 50: "configuring the gaming unit to transmit a message to a progressive jackpot network computer to add a progressive jackpot contribution equal to the first interim pattern award amount minus the second interim pattern award amount to the progressive jackpot pool if the player does not input the prize claiming

input within the first sleep time period and the first interim pattern award amount is greater than the second interim pattern award amount."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
